LORYN SMITH, MSW
Practical Resources &
Hands-On Strategies for
Parenting Children Impacted
by Trauma

Founder of Finally Home Christian Adoption Services, Loryn is the mother of 20 children, a social worker, family coach and sought after speaker for her personal as well as professional experience. Loryn and her husband Thad have fostered over a hundred children over nearly 25 years. Loryn is also a TBRI practitioner and delivers passion, energy, encouragement and support with practical ways to reduce stress in your home and find healthy and effective methods in working with children from hard places.

DAVID BROWN

LORA DIAZ

QPI: More than just last minute training!

The Quality Parenting Initiative is an approach to strengthening foster care, refocusing on excellent parenting for all children in the child welfare system.

DR. JAMES MCHALE

Director of Family Study
Center USF

Co-Parenting

Children separated from their birth families experience unremitting grief during the separation. This unspoken trauma can be reduced if foster parents and children's biological parents find ways to communicate regularly and collaboratively during the child's time in care. This presentation will summarize benefits of, barriers to, and solutions for building a positive coparenting alliance between the two families.

Only \$10
(Includes lunch,
coffee & snacks)

North Pointe Church

19862 Amanda Park Drive
