

Florida FAPA Annual Education Conference
June 14-16, 2024
Doubletree by Hilton Hotel Orlando at SeaWorld

January 3, 2024

Dear Community Partner,

Thank you for being a friend to Florida's foster and adoptive children and their families. Each year, the Florida State Foster and Adoptive Parent Association (Florida FAPA) hosts an exciting weekend for foster and adoptive families to receive specialized training and unique encouragement for their journey in caring for children from hard places. Would you consider partnering with us to let our foster and adoptive parents know that they are valued and supported by so many individuals, organizations, and businesses across the State? We are excited to share an opportunity for you to be a part of a tremendous conference for our families statewide!

In addition to the adult conference, we will provide our NexGen Leadership Conference for 100 youth ages 13-18; providing a value-added experience for our youth with professional leadership mixed with a fun time for all. We have a superior team investing in NexGen teens during the weekend, ensuring they leave with vital skills and fun memories, while spending time with other youth with similar life experience! Support of the NexGen program will ensure all the youth attending the conference this year will be surrounded by stellar caregivers and leaders.

While this is going on, the adults will be involved in training to enhance their skills and learn new research and strategies to support their families. You have the opportunity to invest in the education and encouragement of an entire family by sponsoring our Florida FAPA Annual Education Conference this year.

Thank you for considering sponsorship of our Annual Conference including our youth Leadership Conference. Attached is a Sponsorship packet for your review. If you have any questions, please do not hesitate to contact: Michele Connizzo, michele@floridafapa.org.

Sincere Regards,

Michele Connizzo
Internal Vice President
