

Florida FAPA Annual Education Conference

“30 Years of Love, Learning, & Legacy”

June 12-14th, 2026

Doubletree by Hilton Hotel Orlando at SeaWorld

October 16th, 2025

Thank you for your continued support of Florida’s foster and adoptive children and their families. Each year, the Florida State Foster and Adoptive Parent Association (Florida FAPA) hosts a meaningful and enriching educational conference where foster and adoptive families receive specialized training and encouragement as they navigate the unique challenges of caring for children who have been removed from their homes due to abuse and neglect. This year, we celebrate our 30th Anniversary with *“30 Years of Love, Learning, & Legacy.”* Our conference agenda is dedicated to supporting parents with the tools and resources they need to navigate the complexities of parenting children who have experienced trauma or challenging circumstances. We invite you to partner with us in showing these families that they are valued and supported by individuals, organizations, and businesses across the state.

In addition to the adult conference, we will also host our NexGen Leadership Conference for 100 youth, ages 11-17, through our Tween and Teen programs. NexGen provides these young people with leadership development, educational experiences, and exciting opportunities in a nurturing environment. Our dedicated NexGen team ensures these youth leave with new skills, lasting memories, and connections with peers who share similar life experiences. Supporting the NexGen program allows you to directly invest in the growth and care of these incredible youth, as they are mentored by experienced caregivers and leaders throughout the weekend.

While the youth are engaged in NexGen, the adults will participate in sessions designed to enhance their parenting skills, explore new research, and learn strategies to better support their unique families. Many of these sessions also fulfill important licensure training for foster parents, ensuring they continue to meet state requirements while gaining valuable insights to help them thrive in their roles. By sponsoring conference events, you are investing in the education and encouragement of entire families and equipping them with the resources and support needed to succeed in their fostering and adoption journey.

We are grateful for your consideration of sponsorship for the 2026 Florida FAPA Annual Education Conference, to be held next June in Orlando. You will find a sponsorship packet attached for your review. Should you have any questions, please feel free to reach out to emily.buckley@floridafapa.org.

With sincere appreciation,

Emily Duda Buckley
Chair, 2026 Annual Education Conference Sponsorship Committee
